Superintendent's Highlights

This year was my first year in the Bruneau-Grand View Jt. School District #365 and it has been a pleasure. Some of our accomplishments this year included:

- Developing job descriptions for all certified and classified positions in the district.
- Using those same job descriptions to develop a comprehensive staff evaluation system.
- Implementing specific procedures in all financial aspects of the district, increasing accountability.
- Providing a special education and LEP department for Bruneau Elementary.
- Employing a special education program specialist to bring us into compliance with special education issues and educational best practices.
- Forming a consortium with Hagerman and Melba to provide all staff members with the opportunity to receive training in closing the learning gap for LEP students.
- Taking state in girl's basketball!

Academic Assessments 2002-03

In order to meet the terms of the compliance agreement with the U.S. Department of Education and the requirements of No Child Left Behind, the 2003 Spring ISAT administration assessed students in grades 4, 8, and 10, in the areas of reading, language arts, and mathematics. Additional grade levels will be assessed in each of the next two years in order to be in complete compliance by 2005.

For School Year 2002-03 the grades to be assessed by the Direct Writing Assessment were changed by the State Board of Education from 4, 8, and 11, to grades 5, 7, and 9. During the 2002-03 school year, the DWA was piloted to a sample of 5,000 students each of two grades, 5 and 9. Consequently, no results will be posted for those grades.

In School Year 2002-03 grade six was added to the grades assessed by the Direct Math Assessment. Sixth grade was handled as a pilot of approximately 5000 students. Results are reported for grades 4 and 8 but not for the pilot in grade 6.

Scoring Standard: 5 = Advanced, 4 = Proficient, 3 = Satisfactory, 2 = Developing, 1 = Minimal
